

FLANKING!

Ethiopia! Ah Ethiopia!
 Abyssinia! Oh! Abyssinia
 Light is Light – Truth is Truth (Half-Truths) –
 The Pyramids of Giza are vibrating –
 Raise your head – Lift your head to the Sun!
 Palm trees are swaying – the River Niger is swelling its
 banks – and the Libyan desert/deserts are re-activated as
 Commander and King Kalydosos of Makuria (peace be unto
 him and his troops) are blinking leading from the front –
 Wake up Abyssinia! Wake Up! Be vigilant.
 Pay homage to General Shabaka of the 25th Dynasty-730-156BC –

Drum! Drum! Drum!

Mercenary troops are nothing new – Remember, Arab Viceroy of Egypt- Abdullah- who was flanked by Ethiopian troops – today, they are called contractors –

Rhythm! Rhythm! Rhythm!

Abyssinia! Abyssinia! “Ancient world is coming” – Mutual respect – Collective voices of a people - no plunder though – the mummies are transmuting – rekindling the flame – no more “bows and arrow corps” – aiming at the eyes of the enemy – reflecting on the iron weaponry of the Assyrians –We have mastered all languages and the Andamanese languages “Bo” dates back to Pre-Neolithic times. Yes! Andaman languages over 70,000 years old– and spoken by the Andaman People’s – Jarawa, Onges, Sentinelese, Lou, etc. Yes! They occupy the India’s Andaman Islands.

Rhythm! Rhythm! Rhythm!

Connect the dots – there are the Indus Valley Civilization, the Indian Ocean, Red Sea, Nile, The Ganges River with the River Goddess – Ganga riding a fish and General Ganges rippling as the waves – while perusing the Atlantic ocean, the Mediterranean to the highlands of Abyssinia, the Gulf of Guinea and exploring the hidden treasures inside Chad.

Wake up Abyssinia! Wake Up!

Ethiopia, Egypt, Libya, Tunisia – All Africa – Wake up! “The Land of the Gods” is reverberating – Ethiopic Enoch Lives! And the Egyptian Coptic Christians are persecuted – so called “Muslim Holy War”---

Drum! Drum! Drum! Rhythm! Rhythm! Rhythm!

Invoking African “King Of Kings” Cyriacus to free all Patriarch and their churches – Governor Omar of Egypt understood the Power of the “King of Kings” army at his door step in Lower Egypt in 745AD –Ethiopia! Ethiopia! Assert self ---- The system of Asianization and

Amalgamation have perpetuated manipulation of “consciousness and history” because when colonizers control your God’s, they control your consciousness – but the African God Amon-Ra has dissolved all chains and is speaking – Eyes are opened and long range planning envisioned –

shattering “Race” as an economic factor, with strong and grounded leaders emerging – protecting resources and land, while enhancing the restoration of Thebes and Cartage – No more caucasians conquest through Mosques and Traders ---

Rhythm! Rhythm! Rhythm!

Libya! Libya! Oh! Libya – Land west of the setting sun- Maghrid! Maghrid! Drum! Drum!
Libya! Libya! – One that is Black – Western Ethiopians – Native Nubians –

Amalgamated! Yes! Amalgamated ancestry – Berbers, Mongolians, Arabs, Hebrews and other Asiatic peoples–Afro Asians, etc. etc. Cross-pollination continues – continues – Greece, Rome, Italy, Britain, France, America ---Exploitation! Privatization! Conquest, and Subjugation --- Reflect on Queen Candace – Yes! Empress and General-in-Chief of the Ethiopian Army, who pushed against Alexander the Great army at the First Cataract 332BC

Rhythm! Rhythm! Rhythm!

Protestors are brutalized and killed on camera – A way of life for activists – Arms struggle is actualized – The fiesta is over – No chanting and peaceful protesting for human rights and democracy – Tahtib experts are mobilized –The youths in Zuwara, Gharyan, Kufra, Benghazi, Ajdabiya, Brega, Ujala, Bayda, Derna, Tobruk, Jalou, etc. are galvanized and forthright in forging a new day without Colonel Muammar Gaddafi . Yes! The youths and some military defectors are engaging Gaddafi’s armed forces in an arm struggle to free themselves from subjugation –not forgetting the “Libyan Islamic Fighting Group (LIFG) and Mujahideens, who fought in Afghanistan, Iraq etc.. And I am asking, “Who are the forces behind the uprising, and what is Democracy and freedom in Modern Islamic context?” Life in dignity!

Drum! Drum! Drum! Rhythm! Rhythm! Rhythm!

Life in Dignity! What a story waiting to be told ...Zawiya, Misurata, Ras Lanuf ...
The rudders are broken – marginalization! Marginalization! Gaddafi’s son – Saif al-Islam stoked “the time has come for full scale military action against the rebels” – Major offensive Marketable – Yes! Marketable --
Colonel Muammar Gaddafi cannot pitch his tent – the land is vibrating and the sand and dust are impeding his vision – Western and European strategic interest – hidden autonomous agendas
What about Scotland and Belgium? –

Drum! Drum! Drum!

As the International cartels – modern day buccaneers, cruiser capitalist, monopolist, abettors, economic hit men and buzzards are caucusing – “What is the way ahead in Libya” – “All necessary measures”. “Operation Odyssey Dawn” Yes! “Operation Odyssey Dawn”-
Ah! Seizing assets – Will this exercise stimulate your economies? Seizure of assets-
Need! Versus Greed – Neo-Colonialism –Yes! Libya’s Gold Reserves and oil at stake.
Yes! At stake.

Drum! Drum! Drum!

War machinery amassed – Bombs and missiles – depleted uranium for bread and peace –
Ineffable! What a legacy! Collateral damage-Resolution! Resolution! Crimes against humanity–

But! But! Who can point a finger? I can – What about a “No Fly Zone over Israel?” – Colonel Muammar Gaddafi pouted because the colonialism language is fused and rooted in the history of occupation and garrison mentality, and his poetry is scripted in “Tifinagh”, which he gleaned from attending Tuareg desert festivals in Mali, plus his own experience. Yet, his sons cannot climb an Acacia tree! But, they will acclimatize as The United States, Europe and other states subvert by ceasing the moment. His daughter however understands the “New World Order” – ordeal (“The Perils of Empire”) because she was visible during Saddam Hussein’s trial as an attorney with ingrained references of the destruction of Museums and libraries with information of the Sumerian temples of ancient Mesopotamia etc. She knows the script of the Imperial Presidents, Prime Ministers, and the agent of transformation and change, Nobelist President Obama.

Drum! Drum! Drum! Diplomacy! Diplomacy! Diplomacy!

African Union? No! – Venezuela’s President Hugo Chavez – No! What about the Vatican City State? I am only asking! Peace be with you – pax vobiscum. Benghazi! Benghazi! Historic tendency to resist occupation – Oh! Benghazi – viewing history through the eyes of Lionized Omar Mukhtar and King Idris – Yes! Drum! Drum! Drum!

Who! Governing Whom! – General People’s Congress, Socialist People’s Libyan Arab Jamahiriya, The Green Book – Pan Africanism Revolutionary Communities, Kangaroo Courts, National Front for the Salvation of Libya, Tribal Chiefs – The opposition? – “Military Supreme Council” - Transitional Council- Provisional National Council – Interim Government headed by Mahmoud Jibril. Dominance Oh! Dominance – Overlord ship – All want to be Pharaohs! And Gaddafi refuses to Abdicate!

Drum! Drum! Drum!

What about traditional African Councils? Counsel of Elders!
 What about the Tuareg Tribes (Free Peoples) are they being discriminated against?
 Free Peoples reflect on Heroines and chiefs Tin Hinan and daughter Kella, also Musa ag Amastan – Lift them up! Yes! French President Nicholas Sarkozy knows the history of the Tuareg Peoples – that’s why he is adamant – and Gaddafi understands that the past “walks with you” – so stay focus Turgi(Tuareg’s)

Rhythm! Rhythm! Rhythm!

Colonel Muammar Gaddafi understood the significance of what Marcus Garvey said, “Race without Power and authority is a race without respect.” That’s why many rallied around him when he acquired reparations from the Italian Government; also, the Benghazi International Fund of 460 million that was established by the United States and Europeans to be distributed to the HIV infected children’s families that were infected by Bulgarian nurses and a Palestinian doctor. This historical feat caused many Europeans to salivate with lock jaws. Remember kidnapped Haiti’s President Jean-Bertrand Aristide had a case with France about reparations! And he was a sitting President. Europeans do not respond well when being awoken from sleep. They subjugate Nations under the guise of democracy, national interest and humanitarianism– the cobra for freedom, which Gaddafi is well schooled – He is a desert and tent man. What an irony – King Idris Ghost caused him to lose his footing and he fell off his camel while

Tamnazaga (camel racing) and he shook his sandals off and waved off his female body guards, who cushioned his fall.

Rhythm! Rhythm! Rhythm! Drum! Drum! Drum!

Colonel Muammar Gaddafi is among the vanguards whose tangibility propelled the liberation movements around the world, in particular, Africa which continues to receive technical and financial assistance towards infrastructure and other developmental projects, for transforming their societies. Even Ethiopia! Benevolence at home is nonpareil – Quintessence/the core, but state initiatives must give voice to the voiceless not silent dissent, while amassing personal wealth and decreeing by transferring of the Nation's profits to family and cronies through foundations. Terror is parasitical and it ruins and propels the human spirit to be resilient by fighting back, using “any means necessary” to transform human conditions, which must preserve the common good.

Drum! Drum! Drum!

Autocrats, Fascists, “Pluto-Assassins” use corporatism and general assemblies to decide the faith of Nations, but people are schooled in “corporate-tocracy” which relegates people as subjects, while subjugating them – slavery in the making. The Libyan People will prevail – as they continue to chronicle a future with or without the Gaddafi's regime. No turning back – learning will take place – Abyssinia! Abyssinia! “Ancient world is coming.” Freedom transforms the “Being.”

Flanking!

ADDENDUM 10/20/2011

Are there any International implications for perpetuating summary justice-genocide-as Empires continue to decide who lives and who dies?

Imperium with ingrained barbarism – brewed with summary justice and fete – continue as Libya's Colonel Mummar Gaddafi was capture and assassinated in his birth place Sirte on Thursday October 20, 2011 – Is extra-judicial executions a war crime? How prophetic he was! Choosing martyrdom amiss adversarial complicity and duplicity of some head of states – no amity – but maximizing Empire and greed. Ironically – under the guise of preventing and onslaught with the use of implements of war! Now! We should understand the ancient Sanhedrin and glean the nature of power woven in social stratification.

*** Who! Gets what in a Democracy?

Can tyranny of the majority exist in a Democracy?

*Women are the “key” to the holistic liberation of the planet/planets.
